Welcome to this one-of-a-kind country home located in a desirable West Templeton neighborhood. You are welcomed inside through the spacious living room with bamboo flooring and fireplace which opens into your upgraded kitchen. The kitchen features newer cabinets, granite tile counters, and stainless steel appliances. The bamboo flooring continues down the hallway to access the three bedrooms and two full bathrooms where you'll find plenty of light, bright space, and an abundance of storage space. In the front yard, you're greeted by a circular gravel driveway as well as a separate driveway leading to a garage and oversized carport. The expansive and neatly manicured backyard includes a built-in barbecue, basketball hoop, horseshoe pit, and much more! A rental this close to town in Templeton AND on one an acre of land doesn't come along often. Call today to schedule a private tour!
